

Mantra: A Gateway to Infinity

The knower of the mystery of sound
knows the mystery of the whole universe.
Harriet L. Khan, India

Manish Vyas the well-known Indian musician, composer, and singer has a new album entitled: **"Mantra: A Gateway to Infinity."** Filled with sacred mantras and uplifting instrumentation, his new album is hauntingly moving and inspiring. No doubt this is due in no small part to the fact that Vyas is not only a musician but he himself is a devoted practitioner of Yoga and mantra science.

Vyas was born in Gujarat, India, in 1971, and began his musical career in the late 1990s. Over the years, he has released several albums, both as a solo artist and in collaboration with other musicians, including Snatam Kaur. His music has been well-received by audiences around the world, and he has performed at a number of prestigious events and festivals.

Apart from his work as a musician, Vyas is also an accomplished teacher of Yoga and meditation. He has trained under some of the leading Yoga and meditation teachers in India, and has integrated his knowledge of these practices into his music. Learn more about his new release [here](#).
